Model: E24-12H  
Product Name: E24 Series Heavy Duty Hot Plate

*Model E24-12H*

### Specification:

The Garland E24-12H electric heavy duty counter hot plate is designed and engineered for high volume fast food operations, furnishing fast preheat, high production and versatility with quality results. Designed as freestanding units or to bank with other E24 series equipment or with G24 series gas counter equipment providing flush fronts and backs. Stainless steel front and black powder coat epoxy sides, 15" (381mm) wide x 29" (710mm) deep x 11 1/4" (286mm) high. Elements tilt up to facilitate removal of porcelain enameled spillover bowls for easy cleaning. Infinite heat switch with pilot light controls each 8 1/2" (216mm) diameter 2.1 kW element, both switches have "OFF" settings. Pilot lights are mounted on switch panel and show when element is "ON". Front access panel is removable.

### Standard Features:

- Stainless steel front
- Black powder coat epoxy sides
- Removable porcelain enameled spill-over bowls
- 4" (102mm) Sanitary legs
- Heat-On indicator lamps
- Two 8 1/2" (216mm) 2.1 kW elements
- Infinite switch with pilot light for each element
- One-Year limited parts & labor warranty

### Optional Features:

- ☐ Stainless steel body sides
- ☐ Stainless steel back

### Optional CS24 Series Stands:

- ☐ Floor Stands: Heavy-duty stands of open design with seamless welded square tube legs. Black finish Storage shelf supplied with stands up to 48" (1219mm) wide. Working height of all units on stands 35-1/2" (902mm) Stand widths available in 15" (381 mm), 18" (457mm), 24" (610mm), 30" (762mm), 36" (914mm), 48" (1219 mm), 60" (1524mm) and 72" (1829mm). Example for E24-12H hot plate, specify compatible CS24-15 stand.
- ☐ Optional: Stainless steel finish add suffix SS
- ☐ Swivel casters W/front brakes; set of 4
