

Model 908/909

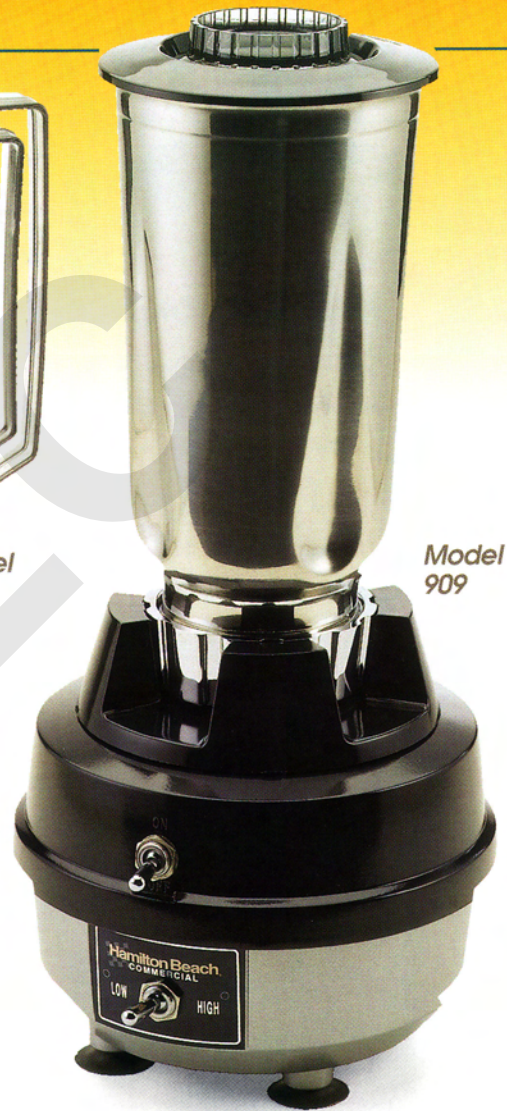

Bar Mixers

Build mixed drink sales and profits with these heavy-duty, multi-purpose bar mixers. Designed to meet professional demands, these dependable bar mixers deliver two-speed power with a quiet force. The separate on-off toggle switches are conveniently located for quick and easy access. Four durable stainless steel cutting and mixing blades ensure perfectly smooth drinks every time with no left over ice or fruit chunks.

Model 908 features a break-resistant 44-ounce polycarbonate container with easy-to-read graduated measurement marks, a snug fitting two-piece vinyl lid and an easy-grip, molded handle. 32 ounce capacity model 909 offers a durable, smooth-walled stainless steel container with a snug fitting two-piece vinyl lid. These easy-to-clean

Model 908

Model 909

models feature heavy-duty motors designed for years of trouble-free service.

Complete with upscale midnight blue housing and sturdy die-cast bases to eliminate slips or skids, these bar blenders are just another reason why Hamilton Beach is the quality leader in commercial appliances.
