

Model 936, Spindle

# Drink Mixer

**P**acking the power to mix a mean milkshake, plus a whole lot more, the model 936 Drink Mixer is specially designed to meet the strength, durability and space requirements of any restaurant, institution or fast food chain. The heavy-duty motor rapidly mixes all types of drinks, from milkshakes to margaritas. Three speeds offer maximum mixing flexibility. Coil spring motor mountings and quality ball bearings help to minimize noise and vibration.

The model 936 Drink Mixer is so simple to use that any employee can quickly and easily operate it. Just combine ingredients, slide container on to spindle and select a speed. The automatic On-Off switch ensures perfect operation every time.

Housed in durable, die-cast zinc with stainless steel panels, the 936 Drink Mixer is just another reason why Hamilton Beach is the quality leader in commercial appliances. Two Year Warranty.
