

Model 990

# 1 Gallon Blender

**S**pecially designed for hotels, bars, hospitals and nursing homes, the Hamilton Beach Commercial blender, model 990, is the perfect choice for extra-large blending jobs. One-gallon, stainless steel container with clamp-on lid, is built for durability and easy handling. Our versatile blender can blend, mix, chop or puree hot and cold foods, in any quantity you need – large or small.

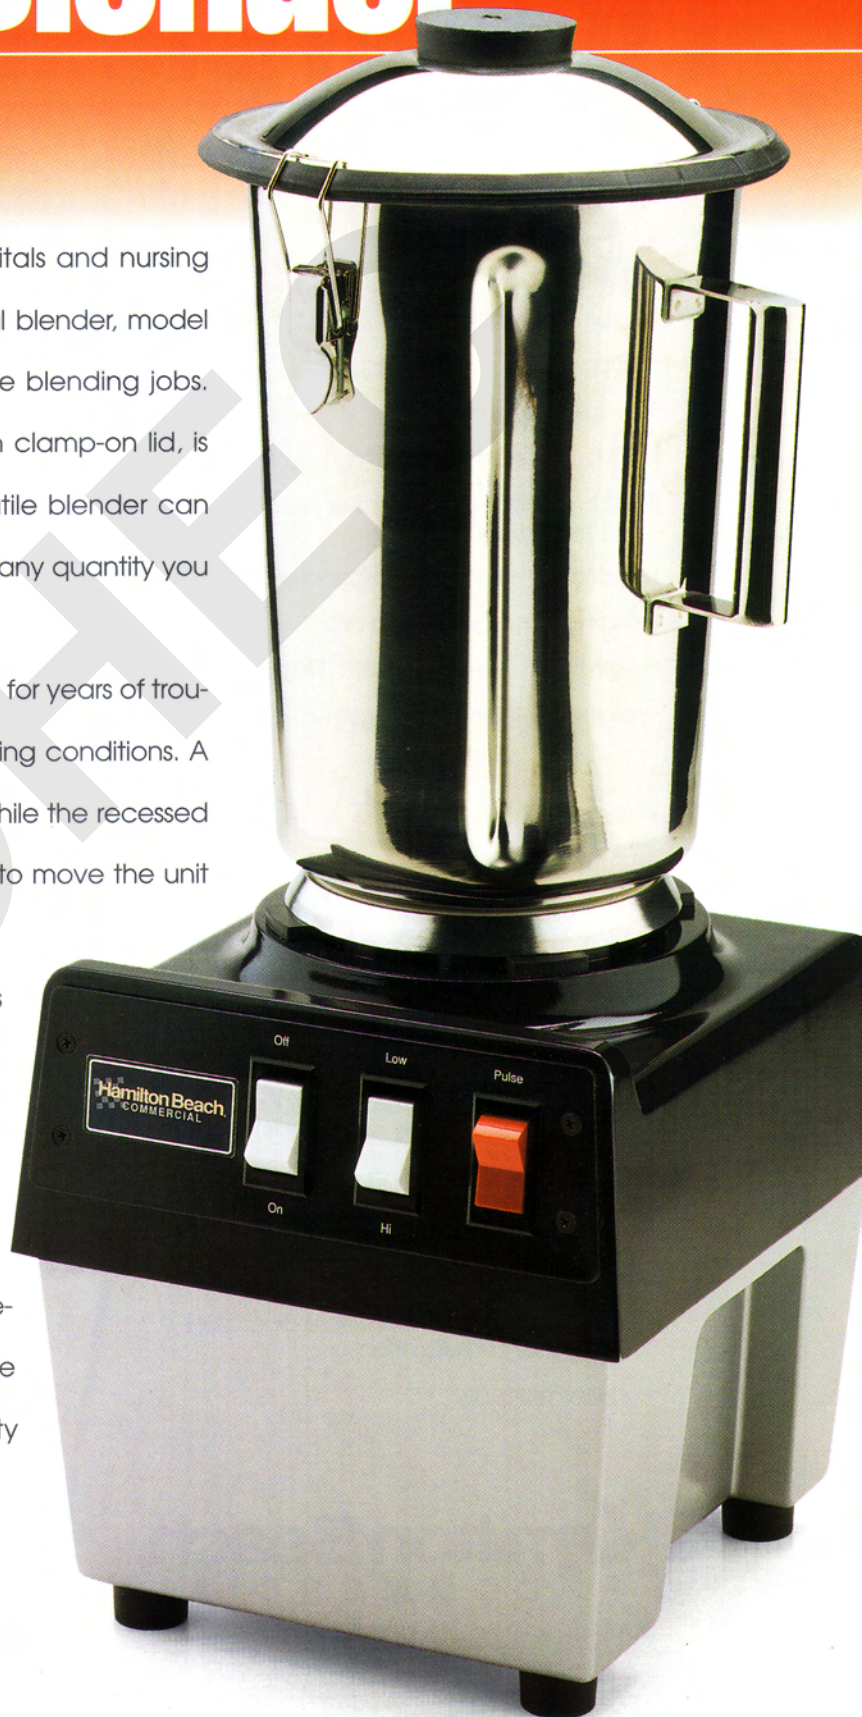

The powerful, self-lubricating motor is designed for years of trouble-free blending, even under the most demanding conditions. A sturdy base ensures maximum counter stability, while the recessed motor housing provides two convenient handles to move the unit for easy counter clean-up.

Removable stainless steel cutting unit features four blades for quick, precision blending. And for

your convenience, we've included a special tool for easy blade unit

removal. Two blending speeds, along with a momentary pulse switch meet any recipe requirement. The Model 990 Commercial Blender is one more reason why Hamilton Beach is the quality leader in commercial appliances.
